Chapter Advisors,

This folder contains PDF versions of the regional tests that were used/administered during the 2019-2020 school year. These tests may be shared with your students as they prepare for competition.

Please make note of the following:

1. The tests in this folder are only the events that will be administered in Michigan BPA competitions during the current school year.
2. Medical Office Procedures was renamed to Health Administration Procedures. The Medical Office Procedures test is located in the Business Administration folder.

If you have any questions, please contact maurice.henderson@emich.edu.
